Chief's Report and Company Minutes

- a) Racks are done, garbage out, and old gear in yellow metal cabinet
- b) Asked to participate in high school sports parade on Tuesday, March 24; taking 0512
- c) Vander Molen did assessment on 0512; found same things that Firematics found; estimate has not been received yet as they're waiting on a quote for rear brakes
  - i) All tires are expired (2015); would like to replace at least back tires around fall
- d) Price of pumps in town - we will not be using them again
- e) Nominations were this month, elections next month - will try to have all who were elected attend next commissioner meeting to get sworn in
- f) Erik Deysenroth resigned - wish him well
- g) Replaced UTV battery

Motion to accept Chief's report made by Keith Dickison, seconded by Tony Kroker. Approved by all present commissioners.

#### Old Business

- a) Policies: on-going
- b) Status of 0512: addressed in Chief's report; did pump drill with it on Saturday, March 14, worked well
- c) Status of Pierce truck for sale, consider price drop: If it is still here come summer, will put it outside to drum up interest; lots of trucks out there right now; will hold on price for now
- d) Sale of hose and extra valves: Currently with truck, but if truck were to drop in price, would be put up for sale separately
- e) Status of sign: Paul hasn't received a call back, will try again tomorrow
- f) Fire Alarm System now working, waiting for new battery for backup: we weren't dialing into control center after phone number update; ABM came in and updated system, comes with monthly monitoring fee

#### New Business

- a) Review offers to clean Fire House
  - i) Two estimates - Service Master and Servpro
  - ii) Service Master was cheaper
  - iii) Adam Kantor reported that we have a power washer and can try that first
  - iv) Shirley Dickison suggested that someone come in monthly to clean
- b) Sam can't attend next meeting, so suggested that it be pushed. Agreed to by all.

Motion made by Betty Staffin to adjourn meeting at 7:30pm, seconded by Paul Kehoe. Approved by all present commissioners.

Next meeting Thursday, April 23rd at 7pm (after the 6:30pm reviewing and signing of the bills)

Respectfully submitted,

C. Lent
